# PALENCIA MODEL FOREST

---

*BOSQUE MODELO PALENCIA - BMP*

*Speaker:* Saray Martín-García

# Palencia Model Forest

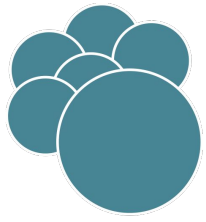

FUNDING AND PARTNERS

The Palencia Model Forest project is supported by the Biodiversity Foundation of the Ministry for Ecological Transition and the Demographic Challenge (MITECO) within the framework of the Recovery, Transformation and Resilience Plan (PRTR), funded by the European Union – NextGenerationEU.

Asociación Española la Sosten Forestal

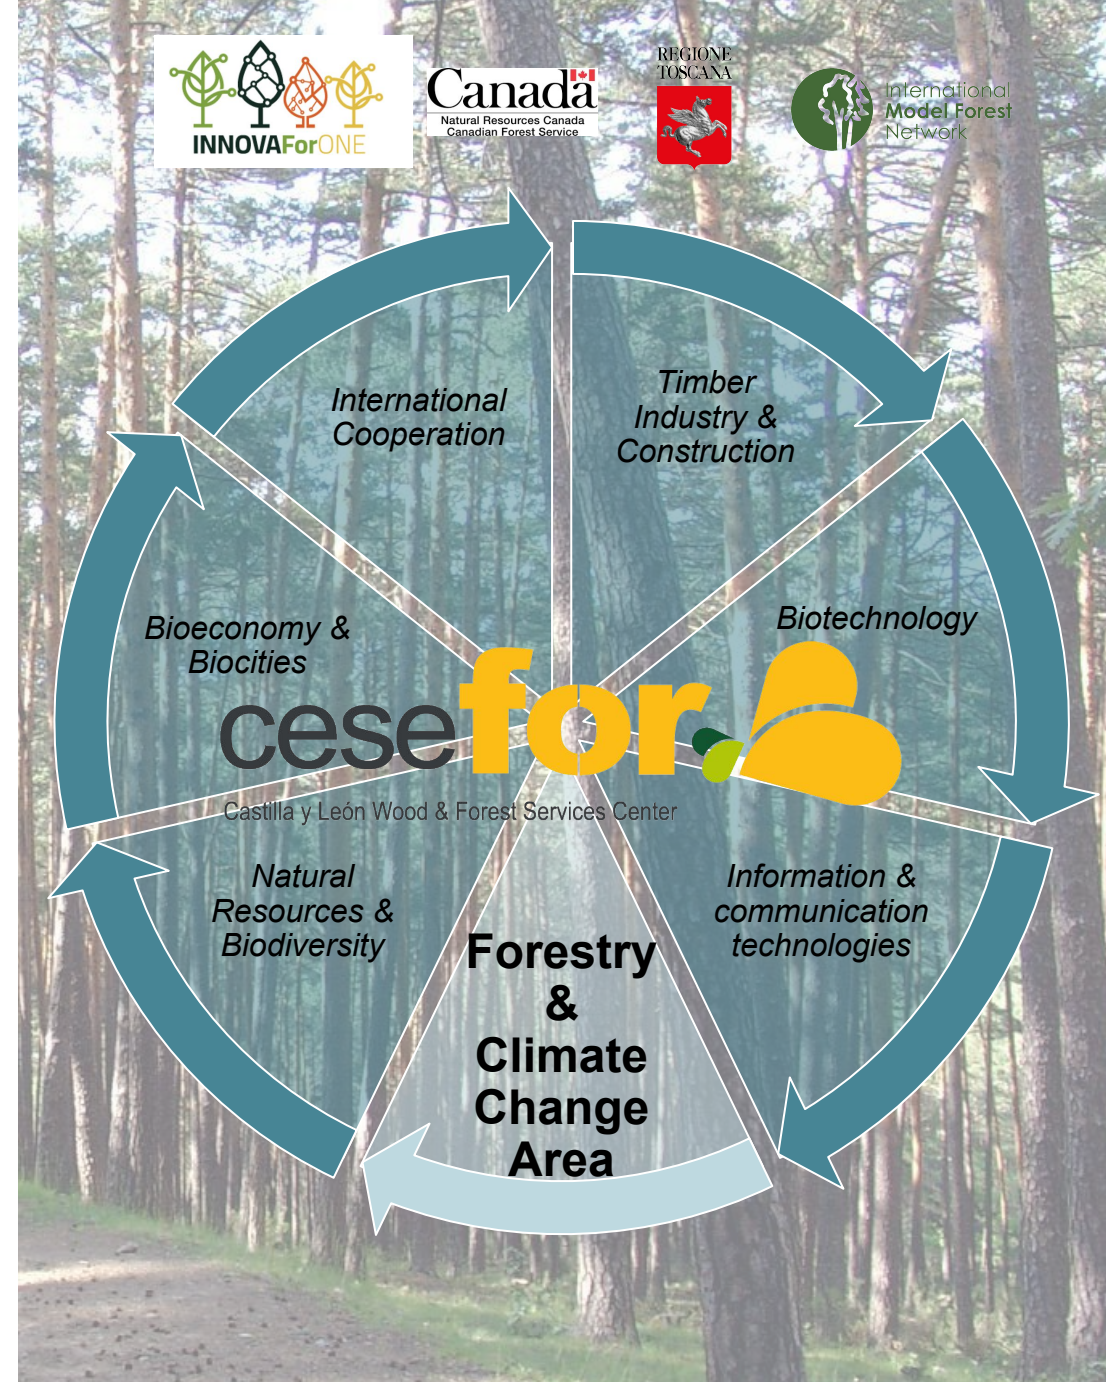

# Forestry and Climate Change Area

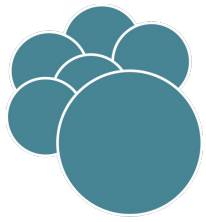

ABOUT US

**Our aim:** Multifunctionality resources focused on sustainable forest management

**Our tools:** Traditional practices + Remote sensing information == new initiatives in continuous cover forestry

**Me:** PhD in sustainable land and territory management and a Master's degree in geomatics, remote sensing and spatial modelling

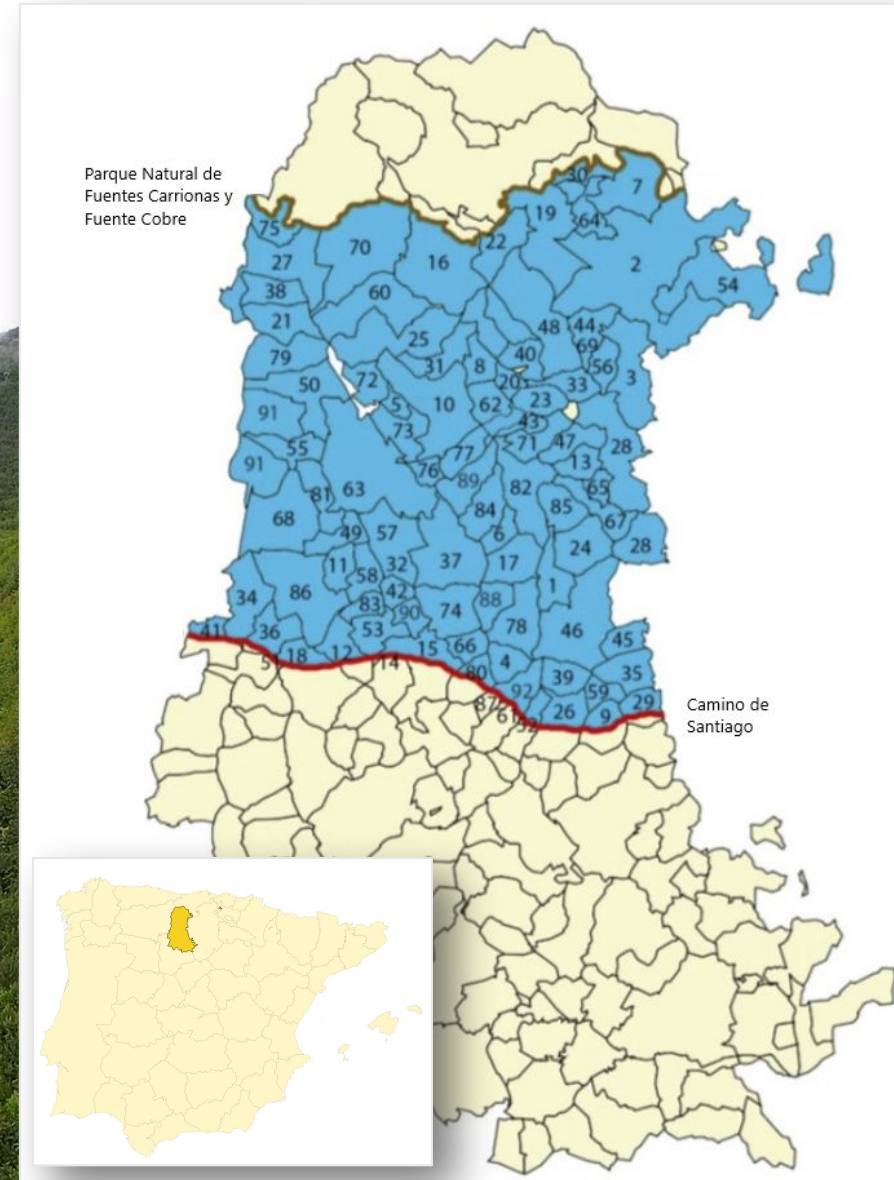

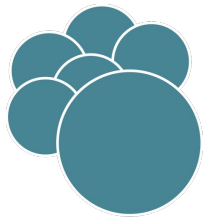

# Palencia Model Forest

## STUDY AREA

- 405.000 ha (42%)
- 92 local areas
- *Quercus pyrenaica* & *Quercus ilex*.  
*Pinus sp.* & *Populus sp.*
- Opportunities:
  - Increase in timber production
    - Rural population retention
    - Wildfire prevention
- Weaknesses:
  - Non-municipal level data
  - Traditional forest vision
  - Lack of interest

# Palencia Model Forest

MISSION AND VISION

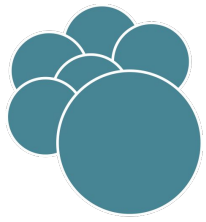

## MISSION

- Free and public database
- Formation courses to show the potential of private properties
- Accompaniment in the enterprise's establishment

## VISION

- Cross-cutting information on potential uses
- Fire prevention and management plans
- Continuous cover silviculture in forest resources mobilisation
- Promoting local bioeconomy

# Palencia Model Forest

## PROJECT ACTIONS

**Action 0.** Communication and raising awareness.

*To inform, promote and communicate PMF activities and results to specific audiences*

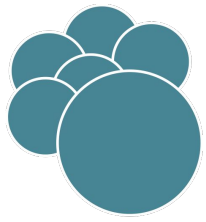

**Action 1.** Assessment and monitoring of municipal forest resources and the bioeconomy.

*Evaluation of timber and non-timber forest resources*

**Action 2.** Planning: prevention, mobilisation and conservation.

*Continuous cover forestry*

**Action 3.** Activation of the PMF.

# Palencia Model Forest

## RESULTS

1

PMF Partnership

2

Repository of practical use information

3

Wildfire prevention and management plans

4

International recognition through International Model Forest Network
